IS READY FOR VACATION

[By Associated Press.]
MARION, OHIO, Nov. 4.—Making his first speech as President-elect, Warren G. Harding declared at a home celebration of home folks here tonight that the Versailles league of nations was "now deceased," although the new administration intended to see that the nation played its part in a new international association founded on peace and justice.

Mr. Harding also told his friends and neighbors, who gathered around the front porch in a cheering concourse, rivaling the greatest crowd of the campaign, that he had come through the fight "without an apology or a regret," and that he would rather not have the presidency than to win it "by speaking ill or uttering a lie."

The celebration, in which many from other Ohio cities joined, was characterized by all the carnival features of an old-time political rally. So great was the gathering that the streets were jammed for a block away and only a small part of those present could hear the speech. In a parade part the Harding residence there were many special features, one man leading a donkey on whose sides was painted, "Jimmie didn't treat me right," while another group carried a dummy body slung against a "red-bait" sign and labeled "The League of Nations."

Crowd Laughs With Harding.
It was from the latter tableau that the President-elect took the cue for the leading thought of his speech. His response to it started a laugh, and then he said:

"I didn't see as much sorrow in your faces as I had apprehended. It's not that I question the desire of America to play its part; it's not that we question the high ideals of those who were responsible for the Versailles covenant. You just didn't want a surrender of the United States of America; you wanted America to go on under American ideals. That's why you didn't care for the league, which is now deceased.

"America is playing a great part now. America is leading the heart of the Old World tonight as no other nation. But, there is more to do; there is a new world relationship, and when the next administration comes into power we're going to play our part. We're going to ask for nations associated with justice; but it shall be an association which surrenders nothing of American freedom."

In his short talk the President-elect touched on no other issues of the campaign, but thanked the crowd for its tribute and asked that he go to Washington "with your good wishes, your confidence and your prayers."

Without "Apology or Regret."
"It's a solemn responsibility," he said, "and when I am through I want to be able to come back and be one of you again the same as I am now. I like to stand before you and tell you I don't come with a single apology or regret. Before I'd become President by speaking ill or uttering a lie, I'd spurn the office."

He added that he had enjoyed the "Marion spirit of cheering" and that he was "going down to Washington as a booster for the United States of America."

The Harding front porch, chief of the Senator's campaign, was the center of the celebration although the town's business and residential streets also were under the sway of the carnival spirit until late at night. Standing where he had delivered most of his important utterances to the nation, and with Mrs. Harding at his side, the President-elect received the congratulations of his fellow-townsmen, shook hands with hundreds of them, and thanked them for their devotion to his fortunes.

Many Delegations Attend
The Marion Civic Association was the moving spirit in the jubilation, but there were many present from other Ohio cities, including large delegations from Columbus, Cleveland and Cincinnati. D. R. Crissinger, a former Democratic nominee for Congress, but a supporter of Mr. Harding through the campaign, is president of the Civic Association and acted as the spokesman of the serenaders.

The dozen stenographers and clerks attached to Harding headquarters headed the parade which marched in the business section and along the white-pillared gateway of the campaign. The Harding Marching Club, the Harding Women's Club of Marion, women employees of the Marion Steam Shovel Company, the

JULIEN GUNN, JR.
FEDERAL ATTORNEY HERE

Henrico County Lawyer Succeeds to Post Vacated by Hiram M. Smith.

STATE SENATOR TWO TERMS
Prior to Legislative Career, Was Commonwealth's Attorney, Leading Virginia Democrat and Active in Legal Circles.

Julien Gunn, Jr., for two terms a member of the Virginia Senate from Henrico County and prior to that Commonwealth's Attorney for Henrico, was named United States attorney for the Eastern District of Virginia by President Wilson yesterday.

He succeeds Hiram M. Smith, who resigned some time ago after a term crowded with much constructive action in the Federal courts and before the United States grand jury here and in Norfolk. Mr. Smith, who gave as his reason for leaving office the desire to re-enter private practice, followed Richard Mann, of Petersburg, in the district attorneyship.

Mr. Gunn, a leading Virginia Democrat and prominent in legal circles, as were both his immediate predecessors, has not yet finished his second term in the State Senate. He will take up the work of his new office at once. Mr. Smith has been looking after its affairs for some months, although his resignation had been accepted at the time he tendered it.

A week or two before the election Mr. Gunn's name with the position definitely, but it was stated that the appointment would be deferred until the voting was over.

EX-GOVERNOR OF VERMONT
IS PARDONED FOR CRIME

Graham Goes Free, After Being Sentenced to Prison for Embezzlement.

[By Universal Service.]
MONTPELIER, Vt., Nov. 4.—Governor Clement has today pardoned Ex-Governor Horace Graham, who was sentenced to from five to eight years in the State penitentiary.

Judge Powers, in Supreme Court, passed sentence on the former Governor for embezzling \$20,000 of State funds, while he was State auditor.

The Governor, in granting the pardon, said:

"On account of the distinguished service of Governor Graham to the State of Vermont and the suffering which he has endured, I feel that he has been punished enough, and I have issued him a full pardon."

Graham was a member of the Vermont House of Representatives from 1892 to 1900, was State auditor from 1902 up to the time he was elected Governor in 1915, and was re-elected Governor in 1917.

It was during his long term as auditor that the larcenies amounting to about \$22,000 were committed. Restitution of a large part of this was made before his trial.

PLAN MEETING OF HARDING
AND OREGON ON BORDER

Brownsville Citizens Seek to Bring President-Elect of United States and Oregon Together.

[By Associated Press.]
BROWNSVILLE, TEX., Nov. 4.—Tentative plans looking to a meeting between the President-elect of Mexico and the United States were started here today when representative citizens asked Varquez, Mexican consul to the United States, to visit Matamoros while Senator Harding is at Point Isabel, Tex., where he plans to spend a vacation.

The consul approved the plan and expressed the belief that General Obregon would accept the invitation, unless the trip would interfere with his inauguration, December 1.

HOSTS WILL PAUSE ONE MINUTE DURING STEVENS' FUNERAL

Thousands of C. & O. Employees Will Pay Tribute to Late President.

WILL BE LAID TO REST
IN HOLLYWOOD CEMETERY

Rev. J. J. Gravatt, D. D., Will Conduct Services in Holy Trinity at 11:30 Today.

Thousands of Chesapeake and Ohio Railroad employees from the Atlantic Coast as far West as Chicago will pause one minute in their labors at 11:30 o'clock this forenoon as funeral services are conducted in Holy Trinity Episcopal Church for George W. Stevens, the road's president since 1900, who died suddenly Wednesday at his cottage in White Sulphur Springs of apoplexy.

Rev. J. J. Gravatt, D. D., will conduct the services and the body of Mr. Stevens will be laid to rest in Hollywood cemetery beside that of his wife, who died in 1901. Besides the active pallbearers several score of honorary bearers, including officials of the State government and men distinguished in commercial and railroad circles, also representatives of the various departments and divisions of the Chesapeake and Ohio, have been named.

The headquarters of the road will be closed all during the funeral that employees there may attend the services. The offices are draped in mourning. The Veterans' Association road, composed of employees who have twenty-five years of service behind them, will send to the cemetery a mammoth floral piece indicative of their sorrow at the death of their beloved chief. These were the men whom Mr. Stevens annually entertained at his country home, Virginia Manor, on his birthday, which fell on June 28. He was sixty-nine years old on his last birthday.

Receive Condoling Messages.
Since the news of Mr. Stevens' death was flashed over the country from White Sulphur Springs Wednesday morning, the offices here have been in receipt of thousands of condoling messages from railroad men in all parts of the country, while the late magnate's many personal friends have also sent their messages of sympathy to the family home at 819 Flay avenue.

Surviving Mr. Stevens are his daughter, Miss Helen Stevens, and two sons, George W. Stevens, Jr., and Cecil Stevens, both engaged in the railroad supply business here.

C. E. Graham, a senior vice-president of the Chesapeake and Ohio directorate, arrived last night for the funeral. They will be active pallbearers. With them will serve M. T. Spicer, aid to the president, and Garrett B. Wall, vice president of the road.

BITUMINOUS COAL
SHORTAGE IS MYTH,
DECLARES OPERATOR

Association President Testifies Production Is at High Pitch and Supply Is Ample.

[By Associated Press.]
NEW YORK, Nov. 4.—D. H. Wentz, of Philadelphia, president of the National Coal Association composed of bituminous coal operators, declared today that there was no shortage of bituminous coal in the United States in his testimony here today before the United States Senate committee on reconstruction and production, investigating the coal situation.

"The production of bituminous coal is practically the same as for October, 1918," he said. "At that time a tremendous effort was made to have each miner mine all the coal possible because of the war. The tonnage for October of this year, without any special effort, is about the same."

Mr. Wentz said there is such "a great supply of coal in New England" that many of the contractors have stopped shipments on their contracts. He also declared that both spot prices and contract prices are now as fair and reasonable.

He also testified that coal shipped to Europe is being sold on a twelve-month contract for \$5.50 a ton. He was asked by Senator William E. Calder, chairman of the committee, why that price should not prevail throughout the country, and he replied that a comparatively small percentage of bituminous coal goes to Europe.

Oklahoma Woman at 65 Becomes Second of Her Sex to Win Seat in Congress

[By Universal Service.]
MUSKOGEE, OKLA., Nov. 4.—Miss Alice E. Robertson, 65, a restaurant keeper, has been elected to Congress from the Second Congressional District of Oklahoma. She will be the second woman to be elected to the national legislative body, Jeannette Rankin having been the first.

Miss Robertson won her seat by appealing for ballots "through the stomach," according to her neighbors. They declare the meals she served in her little restaurant here were such as to swing "more men" to her support without the aid of any other factor.

Miss Robertson, who was born in Indian Territory, is known for her deeds in behalf of Oklahoma's Indian population. She has always been an ardent exponent of legislation favoring the Indians. She declared today that she would specialize on legislation favorable to Indians.

During President Roosevelt's second term she was appointed by the President as postmistress of Muskogee. She has been long identified with the Red Cross. She has had a successful business career.

"I'll specialize in laws helping the Indians, first," she said today, "but all reforms helping women, children, soldiers, farmers and the working people will get my support."

She was elected as a Republican. Up to a short time ago she was one of the most ardent anti-suffragists in Oklahoma. She headed the anti-suffragist movement and spoke against women voting.

During the campaign she ran a series of advertisements in local papers ostensibly in the interests of the cafeteria she operates here, but each containing something about her candidacy.

ELECTION OF HARRISON
NOT CONCEDED BY PAUL

Republicans Reported Preparing to File Contest Proceedings in Seventh District.

DEMOCRATIC MAJORITY 464
Hal Flood's Lead Over Grasty, With Returns Practically Complete, Is More Than 4,400—Sleepy Loses Home Town to Handy.

[Special to The Times-Dispatch.]
WINCHESTER, V.A., Nov. 4.—Notwithstanding a lead of 464 majority for Representative Thomas W. Harrison, Democrat, of Winchester, managers for John Paul, Republican, of Rockingham, announced today they "will wait for the official canvass throughout the Seventh District on Thursday" before conceding the reelection of Harrison.

Republican lawyers, it was learned, have gone into every county carried by Harrison to be present when the canvassers meet. An attorney for Paul found in several Clark County precincts election judges merely wrote in words the number of ballots cast for each candidate and failed to write the number also in figures, and that one judge failed to sign his name in ink.

Technicalities of similar nature have been noted by them in other counties carried by Harrison. Reports were current that Paul's managers talk of contesting the election. Complete unofficial majorities tonight were: Harrison, Albemarle, 1,132; City of Charlottesville, 321; Rappahannock, 250; Frederick, 113; City of Winchester, 79; Clark, 51; Madison, 25; Warren, 223; total, 3,292. For Paul, Shenandoah, 1,095; Rockingham, 556; Page, 451; Green, 150; total, 2,556. Net Harrison majority, 464.

STANTON, VA., Nov. 4.—On the face of practically complete returns from ten of the twelve counties in the Tenth Virginia Congressional District, James H. C. Grasty today conceded the election of Henry D. Flood, who now has a majority of 4,403.

Confession of 35 Saloonkeepers Likely to Involve Many Higher-Ups.
[By Universal Service.]
CHICAGO, Nov. 4.—A three million dollar liquor plot in Chicago, which involves a hundred officeholders and policemen, was revealed here today, when thirty-five saloonkeepers confessed to United States Attorney Cline.

The statements complete a web of evidence, Federal agents say, that will result in the conviction of many "higher-ups" and scores of lesser lights.

Mayor Thompson took a hand in the booze fight here today and is preparing to clamp the lid on cabaret. Two of the most famous mid-night cabarets in the city have been closed and Thompson said they will stay closed. Others will soon follow.

CANVASSING BOARD THROWS OUT 5,000 FAULTY BALLOTS

Election Commissioners Wrestle Ten Hours With Formidable Task.

CONFUSION COSTS COX AND ROOSEVELT MANY VOTES

Defective Tickets Were Found in Every Precinct—Treasurer Result Unaffected.

After wrestling for ten hours with the most formidable election returns ever laid before a canvassing board in Richmond, the Board of Election Commissioners completed the count of the ballots by wards and precincts cast in last Tuesday's election at a late hour last night and turned over the tally sheets to Clerk Walter Christian.

The lack of an adding machine left a long and tedious task on the clerk's hands, and he decided to conclude his work this morning, when the official count will be announced. It was apparent last night that the figures will show a reduction of several thousand in the total vote polled, which was slightly over 24,000. Defective ballots were found in almost every precinct. It is believed that the valid vote will total little more than 19,000.

The ballot was confusing to thousands because of the multiplicity of candidates for President, Vice-President and Congress. Many voters seemed to overlook the fact that other candidates besides the Democratic and Republican nominees were running for President.

Cox and Roosevelt lost a large volume of votes by this error. The voter scratched Harding and Coolidge, but left all of the other national candidates on the ticket. In many instances, the mistakes made by the voters in scratching the candidates for City Treasurer were comparatively few. The standing of the treasurer candidates will not be materially changed from the standing given in the unofficial returns already published.

PHILADELPHIA WILL HAVE
GREAT EXPOSITION IN 1926

International Affairs to Commemorate One Hundred and Fiftieth Anniversary of Independence.

[By Associated Press.]
PHILADELPHIA, Nov. 4.—Steps were taken today at a meeting of about 100 prominent citizens in the Mayor's office for the holding in this city in 1926 of a great international exposition marking the one hundred and fiftieth anniversary of the signing of the Declaration of Independence.

There is now in Congress a bill providing for financial assistance for the proposed exposition.

BUT ONE WOMAN'S
VOTE IS COUNTED IN
GEORGIA ELECTION

In Unexplained Manner, Mrs. While Registered Under 6 Months' Requirement.

ATLANTA, GA., Nov. 4.—Only one woman voted in Georgia, according to reports at the State Capitol today and Mrs. Mary Jaret White, of Stephens County, who paid her taxes and registered at Toocoo six months before the election, thus complying with the State law.

Other women were barred by the six months' registration law, but there was no explanation of how Mrs. White managed to get her name registered before the nineteenth amendment was adopted. She voted for Cox.

Some seventy-five negro women were permitted by the Republican election manager to cast ballots in the Sixth Ward in Atlanta over the protest of the Democratic manager, but it was announced later the ballots, which were specially marked, were thrown out when counting started.

[By Associated Press.]
CLEVELAND, OHIO, Nov. 4.—George Myers, millionaire manufacturer of Toronto, left here today for Atlanta to serve a five-year term in the Federal Penitentiary. Myers arrived here from Toronto Wednesday without a guard and surrendered to the Federal authorities.

He was convicted two years ago under the Mann act, but delayed imprisonment by appeals.

JAPAN OUTWARDLY CALM
OVER CALIFORNIA RESULT

Passage of Land Law Aimed at Orientals Received Without Outbursts in Tokyo.

[By Universal Service.]
TOKYO, Nov. 4.—News of the passage of the anti-Japanese land law in California was received quietly by the holiday crowds here.

The newspapers made only subdued comment on the law and did not give it great play in the news column. It is believed that the government toned down the more dangerous of the anti-American press, so as to prevent outbreaks.

Runyon Is Democratic Minority in N. J. House

[Special to The Times-Dispatch.]
DETROIT, MICH., Nov. 4.—Election of Harry Runyon, of Belvidere, N. J., as Assemblyman from Warren County, that State, and as the only Democrat in the New Jersey House, divides historic honors with "The Only Democrat"—W. J. Donovan, of Bay City, who in the great Republican tidal wave of 1894 found himself the only Democrat in the Michigan Legislature.

Mr. Donovan suddenly found himself a national figure. His fellow-legislators made a hero of him at Lansing, he became known as "The Minority," and had a place on every committee.

Perhaps the Honorable Harry Runyon, of New Jersey, has a similar career ahead.

WARD BOUNDARIES WILL
BE CHANGED BY COUNCIL

Mayor Directs Municipal Body's Attention to Requirements of the Code.

RELIEF FOR CONGESTED POLLS

Executive Discovers That Lee Ward Has 6,000 More Population Than the Law Allows—Voting Problem Is Solved.

Mayor Ainslie is about to initiate action that will bring about an immediate solution of the voting precinct problem. The Mayor announced yesterday afternoon his intention to send a message to the City Council directing the attention of the municipal body to the fact that the ward boundaries of the city as they now stand are contrary to the requirements of the Code of Virginia and must be changed.

The Mayor's message will go to the Board of Aldermen, which meets in regular monthly session next Tuesday night. Discussing the situation Mayor Ainslie said:

Mayor Discusses Situation.
"The Code provides that when a United States census or other official census has shown that the population of any one ward exceeds the population of another ward in a city by 3,000 it shall be the duty of the City Council to readjust the city or to change the ward lines as to equalize the population in the manner stated."

It was found that while Clay, Jefferson and Madison wards were within their legal relation to each other in this respect, Lee Ward has acquired an enormous additional population since the ward lines were last drawn and adopted in 1912. Lee has 9,000 more population than Clay. More than 3,000 greater population than Madison, and more than 7,000 greater than Jefferson.

"I shall direct the attention of the Board of Aldermen to the matter in a message to be forwarded for next Tuesday."

This action by the Mayor will end the controversy over the readjustment of precinct lines, which is necessary to obviate congestion at the polls. The duty of the Council in the matter of providing adequate voting facilities is made clear by the statute.

Section 145 of the Code of Virginia reads as follows:

"Councils of Cities to Establish Election Districts.—The Council of a city shall establish for each ward as many election districts as it may deem necessary, and a voting place in each district, so that there shall not be less than one election district for every 1,000 voters or fractional part thereof above 500) and prescribe and cause to be published the boundaries of said district, and it may alter the boundaries of any such election district, and rearrange, increase or diminish the number thereof, and change the voting places or establish others therein, not to exceed, however, one voting place for each election district; provided that no change shall be made in any of the boundaries or voting places within thirty days next preceding any general election."

MEN STOP G. O. P. PARADE

Celebration of Carboro Republicans Ends in Near Riot as Students Interfere.

[By Associated Press.]
DURHAM, N. C., Nov. 4.—Several hundred University of North Carolina students tonight broke up a victory parade of Republicans of Carboro, which entered Chapel Hill and almost precipitated a riot.

The parade, which started in Carboro, a town located one mile west of the university, entered Chapel Hill with a brass band playing and several hundred Republicans yelling "Harding! Harding! Harding!" The parade rode horseback and in automobiles.

University students hearing the band, assembled and yelled "Cox! Cox! Cox!" As the parade passed the students hurled eggs at the parade, many of them finding targets. Warm words followed, and the students crowded around the machines in a threatening attitude.

Mayor W. S. Roberson brought hostilities to an abrupt end. He requested the Carboro men to return home without repeating the noise made upon entrance into the town. They did so.

REPUBLICAN LEAD IN SENATE NOW IS MORE THAN SCORE

BECKHAM, OF KENTUCKY, IS BEATEN BY ERNST

Democratic Senator Is 7,000 Votes Behind With Count Near Completion.

ELECTORAL VOTE TOPS 400

With Montana's Five to Hear From, Harding Has 390 Assured.

[By Associated Press.]

NEW YORK, Nov. 4.—Almost record-smashing electoral vote for Senator Harding topping the 400 mark, and Republican majorities of more than a score in the Senate and 150 in the House, were assured from virtually complete returns tonight from Tuesday's elections.

With the Democratic stronghold of Oklahoma, Missouri and Tennessee, "republican" ranks by the party's crushing victory the Harding-Coolidge ticket had 396 votes, exclusive of the five from Montana, where the Republican State ticket was victorious and the presidential ticket ahead.

The Republican landslide tonight had given the Republicans fifty-eight Senate seats as against thirty-seven for the Democrats with late returns determining the seat of Senator Beckham, Democrat, of Kentucky. His Republican opponent, Richard E. Ernst, forged ahead in a nip-and-tuck fight for the only Senate fight left unsettled.

Gives Big Senate Lead.
Of the thirty-four Senate contests, the Republicans won twenty-five and the Democrats nine. Among the Democratic Senators who today went down to defeat were Senators Cullen, of Oregon, former chairman of the military committee, Senator Smith, of Arizona, who lost to former Representative Ralph Cameron, and Senator Henderson, of Nevada, who was defeated by former Governor Odell.

Final returns from a few congressional districts still were belated tonight, some due to close races which upset a few previous announcements. With these returns the Republican public roll in the House topped past 285 to 135 for the Democrats.

Among House members whose reelection was reported definitely tonight was Representative Volstead, of Minnesota, author of the Volstead prohibition of the amendment act and chairman of the House Judiciary Committee, a position he is scheduled to retain.

Beckham Seems Beaten.
Election of Richard J. Ernst, Republican candidate for United States Senate from Kentucky, seemed assured tonight, although the vote from all but twelve precincts in the State gave him a lead of 7,238 over his Democratic opponent, J. C. W. Beckham.

Governor Cox, however, had a majority of 3,500 over Senator Harding with but nine precincts missing in the presidential contest. The vote in 3,217 precincts gave Harding, 458,627; Cox, 462,581.

The result of the voting in one precinct in Kentucky probably will not be known until a fight ensued at the polls and the ballot box was stolen, according to telephone reports here today. This was in Breathitt County, the heart of the mountain district.

Republican Franchise Charged.
John L. Gray, Kentucky Democratic State campaign chairman, tonight charged that Republicans with gross frauds in the Kentucky Congressional District of Kentucky, which is comprised of counties in the mountain regions.

Returns from sparsely settled outlying districts in Missouri, which only a few recent years became even "doubtful" in their Democratic tendencies, today seem to increase pluralities for nearly every Republican candidate.

Senator Harding led with a plurality of more than 120,000, but Senator Spencer, running against Breckenridge, for the Senate, fell behind his ticket, although his plurality was expected to reach 10,000.

Thirteen Republicans and two Democrats were elected Representatives, a gain of eight for the former.

One apparent Democratic victory was turned into defeat when an error of 2,900 votes in the first Congressional District of the election as Representative to Mississippi, Republican, when Romjue, Democrat, apparently had been re-elected.

Following closely on the defeat of Champ Clark, Democratic stand-by in the Ninth Missouri District, it became apparent today that William Milligan was elected to succeed Representative Alexander, when he became a member of President Wilson's Cabinet. The election brought nation-wide attention, being fought on the league of nations issue.

Harding, by 10,000 in Tennessee.
MEMPHIS, TENN., Nov. 4.—With but two counties and less than fifty scattered precincts missing out of the entire State, returns tabulated tonight by the Commercial Appeal give Harding a majority over Cox in the State of 10,017 and a fair vote, 40,000.
